

# Ordering oligos just got easier

Sigma-Genosys oligos now available on-line through the Molecular Biology Supply Center

- Unmatched Experience—20 Years Providing Custom Oligos to Life Scientists
- Premium Quality—Every Oligo Is Quality Checked by Mass Spectrometry or CE
- Consistent Delivery—Standard Oligos Ship within 24 Hours
- Easy Ordering and Order Tracking Available Online
- Dedicated Customer and Technical Support Staff
- Quality Is Always Guaranteed
- Design assistance available at [designmyprobe.com](http://designmyprobe.com)

**Ordering:**  
[sigma-aldrich.com/pipeline](http://sigma-aldrich.com/pipeline)  
 instructions for first-time registration on the back

| Description                         | 0.025 $\mu$ mole | 0.05 $\mu$ mole | 0.2 $\mu$ mole | 1.0 $\mu$ mole |
|-------------------------------------|------------------|-----------------|----------------|----------------|
| <b>Base Charge</b>                  | \$0.15           | \$0.20          | \$0.50         | \$0.90         |
| <b>Cartridge (RP1) Purification</b> | n/a              | \$5/oligo       | \$5/oligo      | \$8/oligo      |
| <b>PAGE Purification</b>            | n/a              | \$30/oligo      | \$30/oligo     | \$44/oligo     |
| <b>HPLC Purification</b>            | n/a              | \$30/oligo      | \$30/oligo     | \$44/oligo     |

*0.025  $\mu$ mole scale is for desalted oligos 10 – 50 bases in length. Additional purification and/or modifications are not available at this scale.*

| 5'-end Modifications   | 0.025 $\mu$ mole | 0.05 $\mu$ mole | 0.2 $\mu$ mole | 1.0 $\mu$ mole |
|------------------------|------------------|-----------------|----------------|----------------|
| <b>Biotin</b>          | n/a              | \$20.00         | \$20.00        | \$40.00        |
| <b>Amine C6</b>        | n/a              | \$10.00         | \$10.00        | \$20.00        |
| <b>Phosphorylation</b> | n/a              | \$10.00         | \$10.00        | \$20.00        |
| <b>Fluorescein</b>     | n/a              | \$20.00         | \$20.00        | \$40.00        |
| <b>6-FAM, HEX, TET</b> | n/a              | \$30.00         | \$30.00        | \$40.00        |

*Modified and purified oligos ship within 3-5 working days. Sigma-Genosys has many modification (not all are listed). Please contact us for pricing on additional modifications.*

### Dual-labeled Probes

| Quantity   | 1 OD     | 3 OD     | 5 OD     |
|--|----------|----------|----------|
| 5'-end 6-FAM, HEX or TET/<br>3'-end TAMRA or BHQ-1 | \$ 95.00 | \$148.75 | \$295.00 |

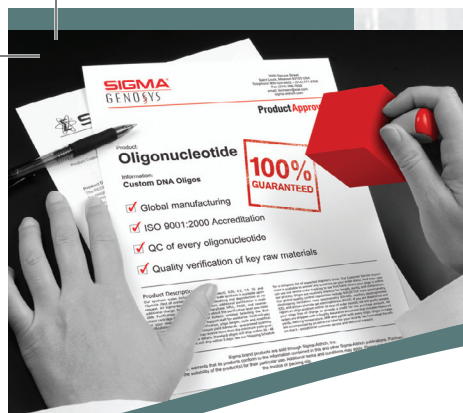

*Dual-labeled probes ship within 3-5 working days. Price includes 5'-end Reporter, 3'-end Quencher, HPLC purification and base charges. Price applies to oligos 15–40 bases in length. Longer oligos will be quoted.*

**FREE Shipping and convenient pick up at the Molecular Biology Supply Center in Biological Sciences Building Room 117A**

# Welcome to Your Sigma-Aldrich Pipeline<sup>®</sup> Website

The Ohio State University has chosen to work with Sigma-Aldrich to provide you with a quick, easy and secure method for purchasing oligos. Pipeline provides this functionality and we are confident that it will help streamline your oligo ordering process.

How to Register and create your own username and password:

1. To begin your experience with Pipeline, open your browser (Netscape or Internet Explorer) and visit us at the following URL: <https://www.sigma-aldrich.com/pipeline>

Enter your Registration Code: **USA-OSUMBSC**

2. The registration form will contain both required and optional fields. All required fields are noted with a red dot. Please enter all of the information requested for the registration form. You will notice that some of the information is already filled since the orders are being billed and shipped to the Molecular Biology Supply Center.
3. Make sure you have entered your e-mail address correctly! The system utilizes your e-mail address to send you messages about the status of your registration and orders you may place. One mistyped letter can lock up your profile, so double-check the address before submitting your form.
4. Select your own User Name and Password. Passwords are case sensitive so be sure you choose something that you will remember. Once your registration has been activated, you will be able to change your password at any time. Your User Name, however, cannot be changed. If you do forget your password, do not re-register. Please call our Electronic Commerce department at 800-325-4940 to have it reset.
5. Double-check your work and Submit. Within 12-24 hours, you will be connected to your organization profile on the system and will receive an e-mail message stating that you are connected to the system and may login.

**Questions or problems about an Order, call Customer Service at 800-234-5362**

**Questions or problems about the Website call Web Help Desk at 800-325-4940**
